I understand that my healthcare providers will not condition my medical treatment on my agreement to sign this Patient Authorization and Release. I understand that once information about me is released based on this authorization, federal privacy laws may not prevent the entities described below from further disclosing my information. However, I understand that such entities have agreed to only use or disclose information they receive for the purposes described in this authorization or as required by law. Revoking this authorization will prohibit disclosures after the date written revocation is received, except to the extent that action has been taken in reliance on this authorization. This means that, after you revoke this authorization, your information may be disclosed among GlaxoSmithKline (“GSK”) and the company or companies that help GSK administer the programs in order to maintain records of your participation, but it will not be otherwise disclosed or used.

By signing below, I authorize GSK, as well as McKesson Specialty Services and any other companies that GSK uses to administer the RSC, to do the following:

- 3) Disclose to my treating physician, healthcare professional, or pharmacist information I have provided when necessary to resolve my coverage, coding, or reimbursement inquiry.
